M2M plans pool with the same plan size and billing account number

To be tied to the FTS Plus discount, you must complete an enrollment form, which will be provided once you request the discount

Accounts set-up under a SSN are considered personal accounts; if you have a personal account, please call us at 800.749.1724 opt. 2 to request the discount information.

Sprint Connected Fleet Solutions has just what you need to help your business reduce costs and increase efficiency, including solutions for fleet management, regulatory compliance, and asset and trailer tracking.

Fleet Management

Ensure your vehicles are on time, on task and safe.

- » Real time visibility
- » Vehicle enter/exit alerts
- » Stops, idling, and aggressive driving reporting
- » Vehicle health reports and maintenance reminders
- » **Key Benefits:** Reduce fuel costs and improve productivity, safety & risk management

Asset/Trailer Management

Ensure your assets are where they should be, when they should be there.

- » Always know location and movement of assets/trailers
- » Alerts on arrival and departure
- » On demand activity reporting
- » Automated standard reports
- » **Key Benefits:** Improve asset utilization and reduce loss of assets, theft and time spent loosing for assets/trailers

Regulatory Compliance

Save time, save money, save lives.

- » HOS E-logging device
- » Digital visual inspection reports
- » Automated fuel tax reporting
- » **Key Benefits:** Reduce time and potential for fines, improve accuracy, and increase revenues through improved logistics
